

Ms. S. KAVINA B.Tech. AI&DS

+91 6369063202 | kavinaseladurai@gmail.com | [Portfolio](#) | [LinkedIn](#) | [GitHub](#) | [LeetCode](#)

CAREER OBJECTIVE

Passionate and detail-oriented developer with hands-on experience in AI/ML, full-stack web development, and data-driven dashboard design. Seeking a challenging position in a reputable organisation to apply my skills in programming, problem-solving, and software/UI development, contributing to innovative projects while furthering my professional growth.

EDUCATIONAL QUALIFICATION

- B.Tech. AI&DS from V.S.B. Engineering College, Karur with the CGPA of 8.03 upto VI semester (Batch 2023–2027).
- HSC from Kalaimagal Matriculation Hr. Sec. School, Namakkal, with 82.3% (Batch 2022–2023).
- SSLC from Kalaimagal Matriculation Hr. Sec. School, Namakkal (Covid Batch 2020–2021).

PROJECTS

- **“AI-Cricket Performance Prediction”** – Developed a machine learning-based IPL player performance prediction system using Python and Random Forest. Built an interactive Streamlit dashboard to visualise player statistics, performance trends, and prediction results. Applied data preprocessing, feature engineering, and model evaluation techniques for accurate performance prediction.
- **“SiteSense – Construction Monitoring Dashboard”** – Designed and deployed a real-time construction site monitoring web dashboard covering zone-wise resource allocation (workforce vs. machinery load), equipment fleet health tracking (operational/maintenance/critical status), supply inventory monitoring with automated reorder-threshold alerts, and on-site environmental and safety-compliance tracking. Integrated an AI-assistant module (“Gemini Brain”) for intelligent insights and deployed the application live on Render.

ONLINE CERTIFICATIONS

- **“Programming in Java”** – NPTEL (IIT Kharagpur), consolidated score 58% (Jul–Oct 2025, 12-week course).
- **“Introduction to IoT and Digital Transformation”** – Cisco Networking Academy, offered by EdCreate Foundation (Nov 26, 2025).
- **“Salesforce Administrator Explorer”** – Certificate of Participation, FutureSkills Prime (MeitY–NASSCOM) in association with Salesforce (Dec 1, 2025).
- **“Introducing SAP Business Data Cloud”** – Course Completion (Beginner Level), issued by SAP Learning (March 26, 2026).

INTERNSHIPS

- **“Web Development Intern”** – Let’s Gametech, Coimbatore (Offline), June 14, 2024 – July 14, 2024.
- **“AI Internship 6.0 (B11) – Dashboard for Cricket Player Performance and Prediction Analysis”** – Infosys Springboard, December 22, 2025 – February 25, 2026.

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, HTML.
- **Area of Interest:** Web Development, Artificial Intelligence.

LANGUAGES KNOWN

English, Tamil.
